Food Bank of the Rockies Partners With TIME Plumbing

Denver, Colorado – June 22, 2011 – To celebrate the opening of their new location at I-25 and Alameda, Denver's [TIME Plumbing and Heating](#) will donate 50% of their service fees in the month of July to [Food Bank of the Rockies](#) (FBR). The partnership is expected to raise thousands of dollars to benefit the organization, whose mission is "to end hunger by efficiently procuring and distributing food and essentials to people in need."

For every dollar donated to FBR, four meals will be provided to those in need, over 40% of whom are children. "Food Bank of the Rockies is excited to partner with Time Plumbing to help fight hunger and feed hope," says Kim Ruotsala, FBR's Vice President of Development. "Judi and Brad Apple's compassion and commitment to help feed our neighbors in need is truly appreciated."

Brad Apple echoes this sentiment: "As Denver natives, Judi and I are just thrilled to be able to give back to the city that has given so much to us." The Apples believe philanthropy is critical to success in business, having donated to worthy causes in the Denver Metro area since 1979. "We have been blessed with the steady growth of our business," says Judi Apple, "and feel obligated to give back to the children and needy in our community."
